numerous streamers of ribbon suspended from the chandeliers. Elephants, camels, lions and a large collection of trained animals are to be seen in the grand free street parade, in the forenoon on the day of exhibition.

BASE BALL CONCERT.

The concert given Saturday night for the benefit of the base ball team was a very successful affair although the lateness of the L. & N. train kept a number from coming. Great credit is due Mrs. J. F. Bullitt for the successful management of the affair.

The musical program was of a high order and all the numbers were well appreciated. Many of the people had, for the first time, an opportunity of hearing the full rich voice of Mrs. Paine. All of her songs were rendered in an artistic and finished manner. Miss Cammies Bullitt proved herself a most talented pianist by her solo work and able accompanying in the trio. The Misses Larry both played solos and were heartily cheered by the audience.
